Dear Sir:

Upon reviewing the above-identified patent, Patentee noted typographical errors which should be corrected. Each error is listed in the accompanying USPTO form PTO/SB/44. As the errors were due to USPTO oversight, no fee is necessary. More specifically, the assignment recorded on June 14, 2006 under Reel 017780, Frame 0102 correctly reflected the assignee as "EADS ASTRIUM SAS" and the Issue fee Transmittal filed December 23, 2009 also correctly reflected the assignee as "EADS ASTRIUM SAS", but the United States and Patent Trademark Office published US Patent No. 7,661,627 with the Assignee incorrectly reflected as "EADS Astrum SAS."

The errors sought to be corrected are inadvertent typographical errors the correction of which does not involve new matter or require reexamination.

Transmitted herewith is a proposed Certificate of Correction effecting such amendment. Patentee respectfully solicits the granting of the requested Certificate of Correction.

Dated: April 5, 2010

Respectfully submitted,
